

Proposed Bylaws Amendment 03: Section 2-5-3 Dues from Constituent Lodges

Whereas, the mission of the George Washington Masonic National Memorial is “*To erect and maintain in the City of Alexandria, Virginia, a suitable Memorial Temple to George Washington, the Mason; one which will express in durability and beauty the undying esteem of the Freemasons of the United States for him in whose memory it shall stand throughout the coming years.*” and a vision “*To inspire humanity through education to emulate and promote the virtues, character, and vision of George Washington, the Man, the Mason, and Father of our Country.*”;

Whereas, The George Washington Masonic National Memorial serves as the only national memorial for Masons in the United States;

Whereas, The Grand Lodge of Utah has been a strong and consistent supporter of The Memorial since the inception of the Memorial Association in 1910;

Whereas, in 2011, The Grand Lodge of Utah approved an annual \$1.00 per member donation to support The Memorial;

Whereas, as Masonic membership decreases across the nation the donations to The Memorial fall proportionally; and,

Whereas, as with all our aging infrastructure, the cost to maintain and improve our magnificent memorial for future generations have continued to increase.

Be it therefore resolved that Section 2-5-3. DUES FROM CONSITUENT LODGES. d) be modified as follows:

For each Master Mason reported in the annual returns of the Lodge, an additional ~~one~~ **two** dollars, to be transmitted to the George Washington National Memorial Association to support its ongoing maintenance and operational expense.....

Financial impact: With Bylaws and Regulations of Grand Lodge being in a digital format, this will be budget neutral for Grand Lodge.
