

Proposed Bylaws Amendment No. 04, Title III – Regulations Relative to Lodges; Chapter VII: Candidates; Section 31: Time Limit for Advancement

WHEREAS there has been confusion in the past on if time to advance is two years total for all 3 degrees or two years in between degrees;

And WHEREAS, the candidate counter that used to be in Grand View contributed to this confusion counting down from 740 days from initiation and never changing based on a new degree being recorded;

And WHEREAS, there are other legitimate reasons that would be impossible to predict why a candidate could not advance between degrees in a two year period other than being in the “Armed Forces of the United States, or who is absent from the United States, or because of illness” that the Grand Master should be able to grant that he deems prudent without forcing a candidate to file a Petition for Restoration or otherwise no such provisions should be stated and allowed;

BE IT THEREFORE RESOLVED that SECTION 3-7-31. TIME LIMIT FOR ADVANCEMENT be amended as follows: (Proposed additions in **Red**)

A Lodge shall drop from its roll and Entered Apprentice or Fellow Craft who does not present himself for advancement within a period of two years **after his last degree conferral**; provided that the Grand Master, on application of the Lodge involved, may extend the time within which a candidate of such Lodge must present himself for advancement, but such extensions may be granted only with respect to a candidate in the Armed Forces of the United States, or who is absent from the United States, or because of illness, **or for sufficient reason as determined by the Grand Master** is unable to present himself for advancement.
